### SOFTSTEP

Diabetic / Circulation Socks

Individual pack, 6 pairs pack

These non-restrictive top diabetic / circulation socks extend to mid-calf, and are natural color made of unbleached cotton as prescribed by doctors.

Crew style with full heel and toe for comfort, these socks are full cushion lining for easy walking. Low profile seam in the toe area to reduce irritation, each sock goes through a special process to create a nice, flat seam.

Reversible - either the cushion side or the smooth side can be worn next to the skin.

Machine Wash, Warm Water, Tumble Dry, No Bleach

Composition:  
85% Cotton, 15% Nylon

Available sizes: Small / Medium / Large

Colors available:

## SeamFree

Diabetic / Circulation Socks

Individual pack, 6 pairs pack

Composition:  
85% Cotton, 15% Nylon

Available sizes: Small / Medium / Large

These flat-knit diabetic socks with full heel and toe is nonrestrictive - non-ribbed top, and have a completely seamless toe area.

These socks are thin, with lightweight cotton interior, nylon exterior to help reduce frictional forces encountered within a shoe, perfect for dress shoes or custom molded shoes.

Machine Wash, Warm Water, Tumble Dry, No Bleach

90% Acrylique, 10% Nylon

Available sizes: Small / Medium / Large

These super-comfortable, breathable, with an ultra-stretch top diabetic socks, for those with hard-to-fit calves.

Stays in place without marking the leg, and have a specifically designed extra padding to protect foot.

Machine Wash, Warm Water, Tumble Dry, No Bleach

Colors available:

## Double Lay-R

Diabetic Socks

Individual pack, 6 pairs pack

Composition:  
85% Dupont Coolmax, 15% Nylon

Available sizes: Small / Medium / Large

These diabetic "Sock-within-a-sock" are designed to greatly reduce the frictional forces within a shoe, as the friction takes place between the two layers of the sock, rather than between the sock and the skin.

Designed specifically for the diabetic patient, it is luxuriously soft for superior comfort.

DuPont Coolmax® yarn wicks moisture away from the skin to keep the wearer dry and comfortable.

Ideal for those active with hiking, running, or walking where blistering may occur with a traditional sock, with a flat toe seam to reduce the risk of irritation.

Machine Wash, Warm Water, Tumble Dry, No Bleach

Colors available:

## Healthy Soles

Diabetic Socks

Individual pack, 6 pairs pack

Composition:  
90% Acrylique, 10% Nylon

Available sizes: Small / Medium / Large

Healthy Soles Diabetic Socks with CoolMAX™ and Anti-Microbial X-Static Silver in the dye-free light foot area, look like regular dress socks! Ideal socks for uniforms!

White area made of special, non-irritation, high-wicking CoolMAX™ fibers.

Made with a special non-binding less-restrictive top with cushioned foot and minimized toe seams for walking comfort.

Machine Wash, Warm Water, Tumble Dry, No Bleach

Colors available:

## Coolsense™

AFO Liner Socks

Individual pack, 6 pairs pack

Composition:  
85% Cotton Coolmax, 15% Nylon

Available sizes: Infant (9") / Child (12") / Small / Medium / Large

These socks accommodate most individuals from foot to knee allowing the sock to be rolled over the top of the orthosis, helping the sock stay up all day long.

With these CoolSense socks, made with CoolMAX, wicks away perspiration to keep wearer cooler in summer, warmer in winter which make them great for all climates.

These non-restrictive top socks offer moisture management and breathability equal total comfort for the AFO wearer!

Reversible - either the cushion side or the smooth side can be worn next to the skin.

Machine Wash, Warm Water, Tumble Dry, No Bleach
